

9. Do you feel that you are more of planner or a last-minute kind of person and why?

10. Explain what your expectations are from Camp Fire staff if selected as a captain.

Expectations:

Captains will be expected to choose trip locations such as service projects, sleeping arrangements and activities. Captains will receive a binder to keep track of recording information, access to the CF66 teen email and budget on day of first meeting. It will be expected that you work on this event on your own time at home and in the office. Staff will create a group text and email to follow up with the progress on the planning of the trip. Staff will assist captains with the following: Budgeting, phone call etiquette, trip information, mapping, delegation of work and activities, etc.

Parent/Teen:

CF66 Captains by far have the biggest role in planning this unique trip together, as it is 100% youth lead with help of staff. By signing this application, you are acknowledging that you are willing to take on all responsibilities as Team Captain if selected and that your parent or guardian is willing to drop you off at Camp Fire for weekly meetings to plan this event. If event is not completed in a timely manner nearing CF66 trip, then it will be expected that youth coordinate more times to meet for event preparation.
